Living with a restless mind  
we will never see  
with the same directions  
but in different galaxies

Close your eyes open your soul

~~And you won't hear them say~~  
~~And the~~ and the words of your

will be the meditation of your mouth  
and you will know your heart

that time - is nothing gained

and time - won't heal the pain

no time - is a waste of time

yeah time & time again
